REWARD.

FOR THE LOVE OF SOUND.

Bose® Corporation was born of desire. The desire to create audio products that recreate the power of a live performance. Stirring emotion through music. Escaping into the action of a film. Celebrating the love of sport.

That's why we've committed 50 years to research. Our innovations are guided by our love of sound. We want to help you have an extraordinary experience, whether you're listening to your favourite song, watching a new series, cheering on your home team or exploring the next level of your video game. That's why we're the most respected name in sound.

Introducing SoundTouch®

There's a world of music out there. And SoundTouch® is the easiest way to play it throughout your home—wirelessly. From one-piece music systems, to outdoor speakers, and home cinema systems: start with one wireless SoundTouch® product and add more. Play the same music everywhere, or different music in different rooms. A free, powerful app makes it easy to access music services like Spotify® or Deezer, listen to Internet radio or play favourites saved on your computer. Plus, it transforms your phone into a powerful remote. With *Bluetooth*® built into every system, you can also play music via any *Bluetooth*-enabled device. And, to make things really simple, you can set up to 6 presets that the SoundTouch® systems around the house will remember. Simply press the preset and the music you want starts. At last, a wireless multi-room system engineered to be easy.

Note: Music services may vary by country.

NEW SoundTouch® 10 WIRELESS MUSIC SYSTEM

Play music throughout your home in full, rich sound. Wirelessly stream millions of songs from music services, Internet radio stations and your stored music library. This system is so small, you can place it just about anywhere, and it makes streaming music incredibly simple.

RRP: **\$299** | □ White ■ Black
