Indications for Use

Sunglasses (nonprescription) are devices that consist of spectacle frames or clips with absorbing, reflective, tinted, polarizing, or photosensitized lenses intended to be worn by a person to protect the eyes from bright sunlight but not to provide refractive corrections. This device is available for over the counter sale.

Refer to instructions for use.

Please read and keep all safety, security, and use instructions.

Important Safety Instructions

1. Read these instructions.
2. Keep these instructions.
3. Heed all warnings.
4. Follow all instructions.
5. Do not use this apparatus near water.
6. Only use attachments/accessories specified by the manufacturer.
7. Unplug this apparatus during lightning storms or when unused for long periods of time.
8. Refer all servicing to qualified personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

WARNINGS/CAUTIONS

• Do NOT use the frames at a high volume for any extended period.
  – Turn the volume down on your device before wearing the frames or placing them near your ears, then turn the volume up gradually until you reach a comfortable listening level.
• Focus on your safety and that of others if you use the frames while engaging in any activity requiring your attention, e.g., while riding a bicycle or walking in or near traffic, a construction site or railroad, etc. Remove the frames or adjust your volume to ensure you can hear surrounding sounds, including alarms and warning signals.
• Do NOT use the frames if they emit any loud unusual noise. If this happens, turn the frames off and contact Bose customer service.
• Do NOT submerge or expose the frames for extended period to water, or wear while participating in water sports, e.g., swimming, waterskiing, surfing, etc.
• Remove frames immediately if you experience a warming sensation or loss of audio.
• Do NOT use mobile phone adapters to connect frames to airplane seat jacks, as this could result in injury or property damage due to overheating.
Contains small parts which may be a choking hazard. Not suitable for children under age 3.

This product contains magnetic material. Consult your physician on whether this might affect your implantable medical device.

- To reduce the risk of fire or electrical shock, do NOT expose this product to rain, liquids or moisture.
- Do NOT expose this product to dripping or splashing, and do not place objects filled with liquids, such as vases, on or near the product.
- Keep the product away from fire and heat sources. Do NOT place naked flame sources, such as lighted candles, on or near the product.
- Do NOT make unauthorized alterations to this product.
- Use this product only with an agency-approved power supply that meets local regulatory requirements (e.g., UL, CSA, VDE, CCC).
- Do not expose products containing batteries to excessive heat (e.g. from storage in direct sunlight, fire or the like).
- Do NOT wear the frames while charging.
- After each use, wipe both sides of the lenses and all parts of the frame with the cloth bag provided or a dry cloth.
NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

• Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by Bose Corporation could void the user’s authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device complies with FCC radiation exposure limits set forth for general population. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

DON’T attempt to remove the rechargeable lithium-ion battery from this product. Contact your local Bose retailer or other qualified professional for removal.

QTY: 1 EA

Manufactured For:
Bose Corporation, 100 The Mountain Road, Framingham, MA 01701

Do not use if package is damaged.

This product complies with the ANSI Z80.3 and ISO 12312-1 standards.
Lenses meet applicable government impact resistance requirements but ARE NOT SHATTERPROOF.
Tinted eyewear is not recommended to be worn for night driving.
The product is designed to block greater than 99% UVA and UVB light energy. This product is in compliance with ANSI Z80.3:2015.
Only lenses approved by Bose should be used with the Alto or Rondo products.

CONTENTS

Confirm that the following parts are included:

- Bose Frames
- Carry case
- Charging cable
- Cloth bag

NOTE: If any part of the product is damaged, do not use it. Contact your authorized Bose dealer or Bose customer service.

Visit: worldwide.Bose.com/Support/Frames
POWER ON

Press the button on the right temple.

The status light glows solid white for 2 seconds then glows according to Bluetooth connection status (see page 16). A voice prompt announces the battery level and Bluetooth connection status.
POWER OFF
Flip the frames upside down for 2 seconds.
The status light glows solid white then fades to black.

**NOTE:** After the frames power off, you can move them in any orientation.

AUTO-OFF
Auto-off conserves the battery when the frames are not being used. The frames power off when audio has stopped and you have not moved the frames for 5 minutes.

To power on the frames, press the button on the right temple.
FRAME FUNCTIONS

Media playback functions
The button on the right temple controls media playback.

Control media playback

<table>
<thead>
<tr>
<th>FUNCTION</th>
<th>WHAT TO DO</th>
</tr>
</thead>
<tbody>
<tr>
<td>Play/Pause</td>
<td>Press once.</td>
</tr>
<tr>
<td>Skip forward</td>
<td>Double-press.</td>
</tr>
<tr>
<td>Skip backward</td>
<td>Triple-press.</td>
</tr>
</tbody>
</table>

Volume functions
You can adjust the volume by using Press & Turn volume control or by using the volume controls on your mobile device.

NOTES:
• To use Press & Turn volume control, make sure the frames are up to date.
• Make sure Press & Turn volume control is on in the Bose Connect app.
  You can access this option from the Settings menu.

Use Press & Turn volume control

<table>
<thead>
<tr>
<th>FUNCTION</th>
<th>WHAT TO DO</th>
</tr>
</thead>
<tbody>
<tr>
<td>Increase volume</td>
<td>Press and hold the button while turning your head to the right. Release the button to set the volume. You hear a tone when the volume reaches the maximum level.</td>
</tr>
<tr>
<td>Decrease volume</td>
<td>Press and hold the button while turning your head to the left. Release the button to set the volume. You hear a tone when the volume reaches the minimum level.</td>
</tr>
</tbody>
</table>

NOTE: To change the volume in larger intervals, turn your head slowly.
Call functions
The button for call functions and the microphone are located on the right temple.

<table>
<thead>
<tr>
<th>FUNCTION</th>
<th>WHAT TO DO</th>
</tr>
</thead>
<tbody>
<tr>
<td>Answer a call</td>
<td>Press once.</td>
</tr>
<tr>
<td>End a call</td>
<td>Press once.</td>
</tr>
<tr>
<td>Decline an incoming call</td>
<td>Press and hold for 1 second.</td>
</tr>
<tr>
<td>Answer a second incoming call and put the current call on hold</td>
<td>While on a call, press once.</td>
</tr>
<tr>
<td>Decline a second incoming call and stay on current call</td>
<td>While on a call, press and hold for 1 second.</td>
</tr>
<tr>
<td>Switch between two calls</td>
<td>With two active calls, double-press.</td>
</tr>
<tr>
<td>Create a conference call</td>
<td>With two active calls, press and hold for 1 second.</td>
</tr>
</tbody>
</table>

**NOTE:** To adjust the volume while on a call, see “Volume functions” on page 12.
Access voice control

The frames microphone acts as an extension of the microphone in your mobile device. Using the button on the right temple, you can access the voice control capabilities on your device to make/take calls or ask Siri or your Google Assistant to play music, tell you the weather, give you the score of a game, and more.

Press and hold the button to access voice control on your device.

You hear a tone that indicates voice control is active.

NOTE: To adjust the volume while using voice control, see “Volume functions” on page 12.
CHARGE THE FRAMES

1. Align the pins on the charging cable with the charging port on the right temple.
   
   **NOTE:** The pins must be correctly oriented with the charging port to successfully charge the frames.

2. Lightly press the pins against the charging port until they magnetically snap into place.

3. Connect the other end into a USB wall charger or computer that is powered on.

   **CAUTION:** Use this product only with an agency-approved power supply that meets local regulatory requirements (e.g., UL, CSA, VDE, CCC).

   While charging, the status light blinks white (see page 16). When the battery is fully charged, the status light glows solid white.

**NOTES:**

- The frames do not play audio while charging.
- Do NOT wear the frames while charging.
The status light is located on the right temple.

**BLUETOOTH CONNECTION STATUS**
Shows the Bluetooth connection status for mobile devices.

<table>
<thead>
<tr>
<th>INDICATOR ACTIVITY</th>
<th>SYSTEM STATE</th>
</tr>
</thead>
<tbody>
<tr>
<td>Slow blinking white</td>
<td>Ready to connect/Connecting</td>
</tr>
<tr>
<td>Fast blinking white</td>
<td>Connected</td>
</tr>
</tbody>
</table>

**CHARGING STATUS**
Shows the battery charge level when the frames are connected to power.

<table>
<thead>
<tr>
<th>INDICATOR ACTIVITY</th>
<th>SYSTEM STATE</th>
</tr>
</thead>
<tbody>
<tr>
<td>Solid white</td>
<td>Full charge</td>
</tr>
<tr>
<td>Blinking white</td>
<td>Charging</td>
</tr>
</tbody>
</table>

**NOTE:** If connected to an Apple device, the device displays the frame battery level near the upper right corner of the screen and in the notification center.
Voice prompts guide you through the Bluetooth connection process, announce the battery level, and identify the connected device.

VOICE PROMPT NOTIFICATIONS

Call notifications
A voice prompt announces incoming callers and call status.

Battery notifications
Each time you power on the frames, a voice prompt announces the battery level. When you’re using the frames and the battery is low, you hear “Battery low, please charge now.”

DISABLE VOICE PROMPTS

Use the Bose Connect app to disable/enable voice prompts.

NOTE: Disabling voice prompts disables notifications.
Bluetooth wireless technology lets you stream audio from mobile devices such as smartphones, tablets, and laptop computers. Before you can play audio from a device, you must connect the device to the frames.

**CONNECT YOUR MOBILE DEVICE USING THE BOSE CONNECT APP (RECOMMENDED)**

Download the Bose Connect app and follow the app instructions.

Once connected, you hear “Connected to *mobile device name*,” and the status light quickly blinks white for 2 seconds then fades to black.
BLUETOOTH CONNECTIONS

CONNECT USING THE BLUETOOTH MENU ON YOUR MOBILE DEVICE

1. Power off the frames (see page 10).

2. Press and hold the button on the right temple until you hear “Ready to connect,” and the status light slowly blinks white.

3. On your device, enable the Bluetooth feature.
   **TIP:** The Bluetooth feature is usually found in the Settings menu.

4. Select your frames from the device list.
   **TIP:** Look for the name you entered for your frames in the Bose Connect app. If you didn’t name your frames, the default name appears.

Once connected, you hear “Connected to <mobile device name>,” and the status light quickly blinks white for 2 seconds then fades to black.
DISCONNECT A MOBILE DEVICE
Use the Bose Connect app to disconnect your mobile device.

TIP: You can also use Bluetooth settings to disconnect your device. Disabling the Bluetooth feature disconnects all other devices.

RECONNECT A MOBILE DEVICE
When powered on, the frames try to reconnect with the most recently-connected device.

NOTE: The device must be within range (30 ft. or 9 m) and powered on.

CLEAR THE FRAMES DEVICE LIST
1. Power off the frames (see page 10).
2. Press and hold the button on the right temple for 10 seconds until you hear “Bluetooth device list cleared,” and the status light slowly blinks white.
3. Delete your frames from the Bluetooth list on your device.
   All devices are cleared, and the frames are ready to connect.
STORE THE FRAMES

The frames collapse for easy, convenient storage.

1. Fold the temples inward towards the lenses so the temples lay flat.

2. Place the frames into the case with the lenses facing towards the front of the case.

NOTES:

• Make sure to power off the frames when not in use.
• Before storing the frames for more than a few months, make sure the battery is fully charged.
CARE AND MAINTENANCE

MAINTAIN THE FRAMES
The frames and cloth bag may require periodic care.

<table>
<thead>
<tr>
<th>COMPONENT</th>
<th>CARE INSTRUCTIONS</th>
</tr>
</thead>
</table>
| Frames          | After each use, wipe both sides of the lenses and all parts of the frame with the cloth bag provided or a dry cloth.  
|                 | **CAUTIONS:**  
|                 | • Do NOT use any sprays, solvents, chemicals, or cleaning solutions containing alcohol, ammonia or abrasives.  
|                 | • Do NOT allow liquids to spill into any openings.                                  |
| Cloth bag       | 1. Launder by hand with cold water.  
|                 | 2. Hang to dry.                                                                   |

REPLACEMENT PARTS AND ACCESSORIES
Replacement parts and accessories can be ordered through Bose customer service.
Visit: worldwide.Bose.com/Support/Frames

LIMITED WARRANTY
The frames are covered by a limited warranty. Visit our website at global.Bose.com/warranty for details of the limited warranty.

To register your product, visit global.Bose.com/register for instructions. Failure to register will not affect your limited warranty rights.
SERIAL AND REFERENCE NUMBER LOCATIONS

The serial number is located on the inner left temple, and the reference number is located on the inner right temple.
TRY THESE SOLUTIONS FIRST

If you experience problems with the frames, try these solutions first:

• Power on the frames (see page 9).
• Check the state of the status light (see page 16).
• Make sure your mobile device supports Bluetooth pairing (see page 18).
• Download the Bose Connect app and run available software updates.
• Charge the battery (see page 15).
• Increase the volume on your mobile device and music app.
• Connect another mobile device (see page 18).

OTHER SOLUTIONS

If you could not resolve your issue, see the table below to identify symptoms and solutions to common problems. If you are unable to resolve your issue, contact Bose customer service.

<table>
<thead>
<tr>
<th>PROBLEM</th>
<th>WHAT TO DO</th>
</tr>
</thead>
</table>
| Frames don’t connect with mobile device | On your device:  
• Turn the Bluetooth feature off and then on.  
• Delete the frames from the Bluetooth list on your device. Connect again (see page 18).  
Move your device closer to the frames and away from any interference or obstructions.  
Connect a different mobile device (see page 18).  
Visit: worldwide.Bose.com/Support/Frames to see how-to videos.  
Clear the frames device list (see page 20). Connect again. |
| Bose Connect app doesn’t work on device | Make sure the Bose Connect app is compatible with your device.  
Visit: worldwide.Bose.com/Support/Frames  
Uninstall the Bose Connect app on your device then reinstall the app (see page 18). |
| No sound                        | Press play on your mobile device to make sure audio is playing.  
Move your device closer to the frames and away from any interference or obstruction.  
Use a different music source.  
Connect a different device (see page 18). |
