

ShowMatch SMS118 Transport Dolly

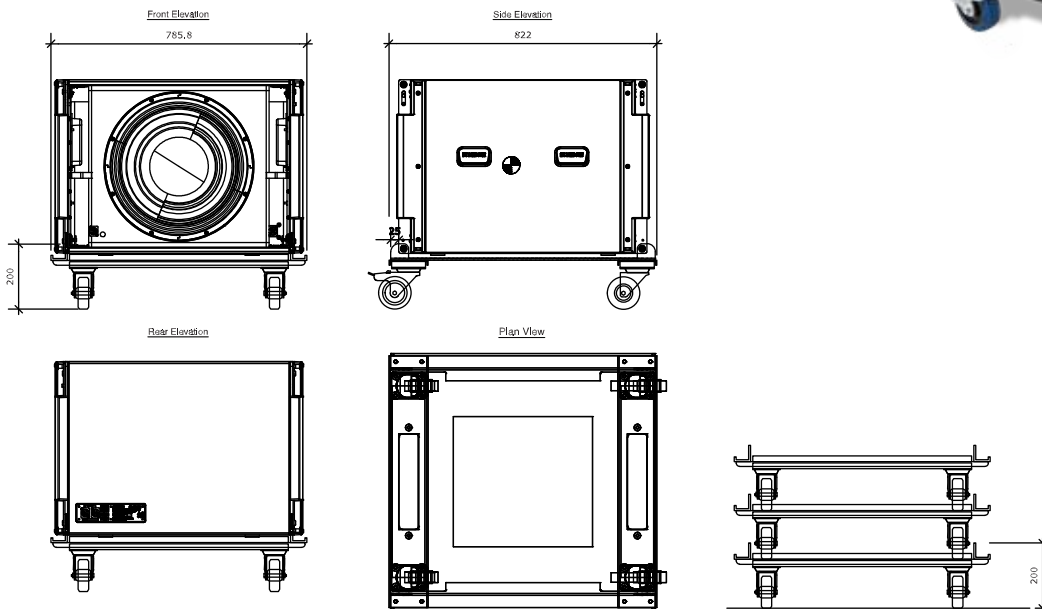

Product Description

The Bose Professional ShowMatch SMS118 Transport dolly carries either one, two or three ShowMatch SMS118 subwoofers. The ShowMatch Dolly contains integrated attachment points allowing the SMS118 to be pinned directly to the dolly, while additional subwoofers can be stacked and pinned to each other. When not in use, multiple dollies can be stacked for storage. The ShowMatch SMS118 Transport Dolly is constructed of powder-coated steel and Baltic Birch with a textured finish to reduce the risk of damage to subwoofers.

Key Features

- Carries up to three (3) ShowMatch SMS118 subwoofers.
- Multiple dollies can be stacked for space-saving storage.
- Slightly larger than SMS118 subwoofer for protection during transport.
- Two locking casters.
