

Bose Noise Cancelling Headphones 700 UC

Now, the world is your conference room. Bose Noise Cancelling Headphones 700 UC equip you for better collaboration in the workplace and beyond: cubicle, open office, home office, and everywhere in between. An adaptive microphone system helps you turn any space into a meeting place, isolating your voice so you sound like yourself. Say goodbye to the mute/unmute shuffle and coworkers constantly asking “... are you there?” Eleven levels of noise cancellation let you personalize what you hear from your surrounding environment — from virtual silence to open and ambient. And the included Bose USB Link Bluetooth® module provides a reliable wireless connection, so you can quickly jump on calls and easily switch between audio sources. With Bose Noise Cancelling Headphones 700 UC, you can stay focused, minimize distraction, collaborate with confidence — and work better, wherever.

Bose Noise Cancelling Headphones 700 UC

**Dual Beamforming Voice
Microphone Array**

Speak confidently and be heard clearly on conference calls — an adaptive four-microphone system isolates your voice from surrounding noise, eliminating the mute/unmute shuffle and “... are you there?” struggle

Personalize your work environment with 11 levels of noise cancellation, from virtual silence — for times of focus — to open and ambient, so you can hear what’s going on around you

Stay reliably connected and easily switch between audio sources — the included, pre-paired Bose USB Link Bluetooth® module provides a dedicated wireless connection to your computer

Enhance the audio experience with third-party cloud services such as Microsoft Teams, Google Hangouts Meet, Zoom, and more
